TERMS OF REFERENCE

For the

Supply and Delivery of Photographic Equipment and Accessories to be used at the City Information Office in the City of San Fernando, Pampanga

Rationale and Background

The City Information Office's mandate is to provide relevant, adequate and timely information among constituents regarding plans, programs and activities of the City Government. It shall also be in-charge to facilitate prompt delivery of basic services, give solutions to issues and concerns, especially during emergencies and encourage people's support to and participation in the different programs and projects of the LGU.

Through this, the office will be able to help the city further achieve its 10-point agenda, Education, Employment, Environment, Health, Peace and Order, Family and Values Formation, Infrastructure, Investment Promotion, Tourism and Culture, and Government Efficiency.

Objectives:

- a. To ensure uninterrupted and prompt rendition of public services.
- b. To have **Photographic Equipment** that is up to date and adequate with all photo shoots and coverages
- c. To have sufficient and available at the City Information Office coverages and photo shoots

General Descriptions

The Bidder/Supplier shall supply and deliver **Photographic Equipment** as specified in the Specification and Bill of Quantities for the use of the City Information Office with reference to all provisions included in this term of reference.

SUBMITTALS

The following shall be included in the Technical Submittal

A. CERTIFICATE

- The Bidder/Supplier shall submit the certificate attesting or authorizing or reseller of IT Equipment to supply and provide warranty of the **Photographic Equipment**

Production to be delivered. The Certificate should be in a form of Authorize Dealership.

- The Bidder/Supplier shall submit and must have Brand or Product manufacturer local parts center/ service hub depot in the Philippines certified by Manufacturer.

Other Consideration

- A. The Bidder/Supplier should have (a) completed a single information technology equipment contract whose value must be at least 50% of the ABC within a period of Two (2) years.
- B. The Bidder/Supplier MUST deliver all equipment within thirty (30) days after receiving the Notice of Award/Notice to Proceed. *The supplier must pay the Procuring Entity liquidated damages, not by way of penalty, an amount equal to one-tenth (1/10) of one percent (1%) of the cost of the delayed equipment scheduled for delivery or performance for every day of delay.*

WARRANTY

Warranty Period – A warranty period of one (1) year shall commence on the date delivered.

- **Photographic Equipment** that becomes defective or have failed or malfunctioned within six (6) months of date delivered MUST be replaced the entire unit within 5 working days upon reporting.

Technical Support – The bidder/supplier must have **AT LEAST THREE (3) DEMONSTRATOR OR TECHNICIANS** that will be involved in the providing technical support for this project.

- Bidder/Supplier Must provide technical support on site **WITHIN TWENTY (24) HOURS** after the end-user asked for assistance in case the equipment have failed or becomes defective within the one (1) year warranty period.
- Bidder/Supplier **MUST ENSURE ALL THE EQUIPMENT/ UNIT** are working with the same technical specification in case of unit needed repair or pulled-out within the one (1) year warranty period.
- Supplier must have a service center within of San Fernando or within 5-km radius from the city's boundaries.
