Project Title : **Supply and Delivery of Furniture at City Engineer's Office (CEO) in the City of San Fernando, Pampanga.**

Project Location: **City Engineer's Office, City of San Fernando, Pampanga**

Background: In accordance with an article written by Sean Si last July 12, 2022 titled Physical Qualities of a Workplace that improve employee performance, the physical qualities that affects employee performance includes 1) Lighting 2) Size of Room 3) Furnishing 4) Ventilation 5) Recreational Areas. These external factors directly influence a person's attitude towards work.

Considering the above especially 3) Furnishing, it is important that an employee is comfortable with his/her seating position. With 8 hrs of work, it is very vital that furniture such as chairs provides comfort and relaxation to employees to produce their best effort at work as they are less likely to suffer from aches and pains due and worse may lead to absences.

The City Government of San Fernando, Pampanga recognizes its work force as its asset and greatest resource. Their wellbeing is very essential as individual performances makes up to the overall performance of the City. With this, we are proposing the provision of additional or replacement of furniture and fixtures for the new the City Engineer's Office (CEO) located at the City Civic Center.

Having an effective workplace in the City Government of San Fernando, Pampanga is also making sure of effective implementation and provision of City Public services especially in terms of infrastructure development and engineering services.

Objective/s: To replace/provide additional furniture at the City Engineer's Office (CEO) that ensures an effective working environment to employees that will positively result to employees overall performance;

To make sure of effective implementation and provision of City Public services especially in terms of infrastructure development and engineering services by uplifting the wellbeing of the City Government employees.
