Project Title : Supply and Delivery of Electrical Materials to be used for the Improvement of Proposed Dialysis Center

Project Location: Civic Center, San Isidro, City of San Fernando, Pampanga

Background:

One of the flagship project of the present administration is the establishment of a Dialysis Center in the City of San Fernando, Pampanga. As Cited in a post of the University of the Philippines dated December 1, 2020, there are close to 35,000 Filipinos who are undergoing dialysis and treatment for kidney disease in the country and over the past decade, the number of new cases has increased by about 15% every year. To note, 414 of these patients were residents of the City of San Fernando, Pampanga.

Pursuant to the provisions of Section 17, Title Five, Book I of the Local Government Code of 1991, health services which include the implementation of programs and projects on primary health care, maternal and child care, and communicable and non-communicable disease control services; access to secondary and tertiary health services, purchase of medicines, medical supplies, and equipment needed to carry out the services are included in the Basic Services that a Local Government Unit shall be providing to its constituents.

The proposed Dialysis Center shall prioritized the underprivileged Ferdinandinos who could not afford the cost of dialysis.

Following the abovementioned, we are proposing the Improvement of the Proposed Dialysis Center.
