I. Background

The City Information Office serves as transparency medium of the organization in reporting to the public the performance and programs of the City. It engages responsible citizenship through direct and indirect information dissemination to the City's constituency. With its current manpower of only 10 personnel, the CIO is still unable to completely address its mandate in making the constituency up-to-date and informed in all City government programs and activities.

II. Objectives

- To further promote the programs, projects and activities of the city government through effective information dissemination
- Print advertising, Promoting with long - term friendship, a sincere relationship.
- It continuously boasts of its local, regional and national news, interesting lifestyle features, health and info – tech updates, and tourism information

III. Scope of work and deliverables

- Uses Coco Cloth and painting materials for the layouts
- Ensuring clean and neat
- Layouts of City's events, programs, projects and other Information Campaign
- Layouts of Logos and Signages

IV. Budget and terms of payment

Subject to Ordering Agreement, depending on the needs of the materials.
