SUPPLY AND DELIVERY OF TENT TO BE USED AT CITY CHILD DEVELOPMENT CENTERS FOR THE YEAR 2023 IN THE CITY OF SAN FERNANDO, PAMPANGA.

I. BACKGROUND

One of the salient features of the Republic Act 10410 or the Early Years Act of 2013 is the strengthening of the ECCD Council to ensure the State's focus in building a strong foundation for the development and learning of 0-4-year-old children. In consultation with coordinating committees at the local levels, the ECCD Council developed national standards, policies and programs to make the national ECCD system work. They also provide technical assistance and support to ECCD service providers.

One of the strategic initiatives of the ECCD Council is the establishment of National Child Development Centers (NCDCs) in select cities and municipalities all over the country. The NCDC models, the standard design and content of child development center buildings. It also demonstrates the implementation of the national curriculum and application of the national early framework and ECCD system components with the leadership of the National Child Development Teacher (NCDT) and ECCD Supervisor who were trained under the technical assistance program of the ECCD Council.

Rule VI Section 7 of the implementing Rules and Regulations of RA 10410 states that the Local Government Unit shall include allocations from their Special Education Fund (SEF) and Gender and Development (GAD), in addition to other local funds, to be utilized in support to the implementation of ECCD programs.
