SUPPLY AND DELIVERY OF TELEVISION TO BE USED AT THE CITY CHILD DEVELOPMENT CENTER IN THE CITY OF SAN FERNANDO, PAMPANGA

I. BACKGROUND

Pursuant to R.A. No. 7160 otherwise known as the Local Government Code of 1991 Particularly Section 444(b)(1) provides that the Chief Executive shall exercise general supervision and control over all programs, projects, services, and activities of the local government.

Pursuant to Section 2 of the Republic Act No. 10410, known as Early Years Act of 2013. The state shall institutionalize a National System for Early Childhood Care and Development (ECCD) that is comprehensive, integrative, and sustainable, that involves multi-sectoral and interagency collaboration at the national and local levels among government; among service providers, families and communities, and among the public and private sectors, non-government organizations, professional associations and academic institutions.

One of the guidelines for the conversion of existing Day Care Centers into Child Development Centers. The ECCD design standard for the CDC defines the basic requirement for the Early Childhood (Pre-K) or "Child Friendly" facility that considers design features for young children 0-4.11 years old. The CDC design parameter shall encourage the compliance and provision of a more convenient, age-appropriate and safe-areas that shall accommodate a range of Pre-K activities and organized learning as well to serve the needs of adult staff and parents, and facilitate staff-child relationship building.

Building content must be available and enough in support to the attainment of the objectives of the Early Learning Program of the ECCD Center. The Appliances are selected materials to bring the attention of young children to socio-dramatic play, to make-believe play episodes that would encourage independent learning.
