Project Title : **Contract of Service for the Septic Tank Siphoning at different City Government Buildings and Facilities in the City of San Fernando, Pampanga for 2024 subject to ordering agreement**

Project Location: **City of San Fernando, Pampanga**

Background: As written in Section 15-General Welfare- of Republic Act (RA) 7160 known as the Local Government Code of 1991 – “Within their respective territorial jurisdictions, local government units shall ensure and support, among other things, the preservation and enrichment of culture, promote health and safety, enhance the right of the people to a balanced ecology, encourage and support the development of appropriate and self-reliant scientific and technological capabilities, improve public morals, enhance economic prosperity and social justice, promote full employment among their residents, maintain peace and order, and preserve the comfort and convenience of their inhabitants”.

Further, pursuant to Section 2 of Republic Act 6713, known as the Code of Conduct and Ethical Standards for Public Officials and Employees, “Public officials and employees shall at all times be accountable to the people and shall discharge their duties with utmost responsibility, integrity, competence, and loyalty, act with patriotism and justice, lead modest lives, and uphold public interest over personal interest”.

The Construction and Maintenance Division of the City Engineer’s Office is responsible for implementation, administration of construction, repair and maintenance of roads, bridge, drainage system, public building and other structures/facilities of public usage within the city.

Part of the maintenance of public building and facilities is the maintenance of Septic Tank and making sure that it is in good condition. Cleaning a septic tank is a very essential requirement of sanitation. Regular siphoning also eliminates the cause of clogging as it ensures a clean space for the waterways all throughout the building. Thus, this project.

Objective/s: The main goal of the project is to perform the Division mandate and/or function for the effective and efficient repair and maintenance of public building and other structure/facilities for public usage within the City of San Fernando, Pampanga.
