SUPPLY, DELIVERY AND INSTALLATION OF WINDOW BLINDS TO BE INSTALLED IN THE OFFICES OF THE NEW CITY COLLEGE BUILDING IN THE CITY OF SAN FERNANDO PAMPANGA

I.BACKGROUND

The City College of San Fernando Pampanga has been operating and rendering quality education to its community for fourteen years. From its education services, several areas of improvement are to be considered to attain the learning success of the ASLAG students. An essential predictor that influences the academic achievement of the students is their learning surroundings, and one aspect is the physical environment which includes the school's physical plant, facilities and equipment, and other needed resources and supplies that help students and teachers in the improvement of teaching and learning process which paves the way to a better learning outcome.

As CCSFP continuously grows in terms of its population, due to the new programs offered, both human and physical resources are needed to meet the needs of the increasing demands of the school community members. In this light, the College President and City Government of San Fernando have decided to plan and have taken into action the construction of a new campus located at Del Rosario San Fernando Pampanga for CCSFP which aims to cater the more than one thousand and three hundred students and the additional freshmen who will be enrolling for the new programs offering.
