SUPPLY AND DELIVERY OF MEALS TO BE SERVED FOR THE 3RD QUARTER VALUES ENRICHMENT COURSE 2024 IN THE CITY OF SAN FERNANDO, PAMPANGA

I. BACKGROUND

Looking at the LGU's perspective, mental health programs have also been reinforced through the empowerment of its RHUs' capabilities to address the onset of mental health disorders of which the employees of the LGU itself are also vulnerable. In 2020, through the use of a known scientific tool, 17% of our front line service personnel were identified to be prone to development anxiety and depression. This is why the LGU continually implements interventions such as assessment and interventions through partnership with professional psych organizations. To further this, the CHRMO proposes the implementation of regular programs not only to address potential mental disorders but, ultimately, empower the workforce towards leading a mentally nurturing workplace and lifestyle.

In view of the above, the CHRMO hereby proposes the quarterly Values Alignment Program of the LGU be dedicated towards empowering the workforce in instilling the value of mental health to their overall wellness. This include self-assessment, the fundamentals of psychological first aid and other actions that are not only applicable to them but also their own family and peers.
