Supply, Delivery and Installation of Fire Detection and Alarm System Panel with complete sets to be used for the Repair and Maintenance in the City Market Plaza, City of San Fernando, Pampanga.

I.BACKGROUND

Pursuant to R.A. No. 7160 otherwise known as the Local Government Code of 1991 particularly Section 444(b)(1) provides that the Chief Executive shall exercise general supervision and control over all programs, projects, services, and activities of the local government.

In the City Government of San Fernando, Pampanga, the City Market Operations Division (CMOD), is mandated to carry out the following responsibilities;

- Responsible for the administration and supervision of the two (2) Public Markets including the duties, functions and assignments of all Market Personnel;
- Responsible for the implementation and administration of market rules and regulations;
- Responsible for the supervision and monitoring of market daily collections both in the Old and New Public Market (market fees, entrance fees, parking fees and rental of stalls);
- Responsible for monitoring orderliness and cleanliness in the market premises in the Old and New Public Market.

In addition, Chapter XII, Section 1 of the 2017 Revised Revenue Code and Market Code of the City of San Fernando, Pampanga states that;

Section 1. Allocation of Collected Market Rental Fees and Charges – After deducting the statutory or contractual obligation, a minimum of twenty (20%) percent of the net income of the City owned public market shall be reserved and set aside for the maintenance and improvement of the market and for market personnel development. The reserved amount shall accrue to the Capital and Management Development Fund of the City Government.

With the above stated mandate of the office, it is proposed that some improvements and repairs be made in the Public Markets under the management of the City Government. This will make our public market more competitive, appealing and safer to consumers and vendors.
