TERMS OF REFERENCE

Supply and Delivery of Meals to be served for the Barangay Health Workers Year End Evaluation of the City Health Office for 2024 in the City of San Fernando, Pampanga.

I.BACKGROUND

Barangay Health Workers are organized group trained by government and non-government offices who voluntary render primary health care services to the community.

They are vital part of the health care delivery system for they are the one who bring health services down to the community level. They are the primary catalyst of the essential health care. Monitoring of the health status of the community is also one of their responsibilities to ensure a healthy community. They were also task to be community organizers who provide linkage between the community and local health agencies.

With this information Barangay Health Workers are integral part of any health care agency to ensure a quality and effective health care delivery system in our city. Thus, the City of San Fernando (P) recognizes that local government must provide any possible assistance to our BHWs to develop their skills and equip them with proper knowledge to be able to render quality health services.
