SUPPLY AND DELIVERY OF MEALS TO BE SERVED FOR THE CBJIP FORMULATION 2024 CUM CBJIP ASSESSMENT: IN THE CITY OF SAN FERNANDO, PAMPANGA

I.BACKGROUND

Republic Act No. 9344, as amended by Republic Act No. 10630 (otherwise known as the Juvenile Justice and Welfare Act of 2006) was a progressive step towards a more restorative and child-oriented juvenile justice system. It is a legal measure to uphold the rights of Children at Risk (CAR) and Children in Conflict with the Law (CICL) and provides the legal basis for the establishment of the Juvenile Justice Welfare Council (JJWC) and the Regional Juvenile Justice Welfare Committees (RJJWC). The national council and the regional committees were organized to oversee and ensure the effective implementation of the law at the regional and local levels. They are also tasked to collect regional information, and conduct study and research relative to Juvenile Intervention Programs and Policies.

In 2013, under also this amended law, a 6-year Comprehensive National Juvenile Intervention Program must be formulated which was cascaded to the Regional Juvenile Justice and Welfare Committee to have their Comprehensive Regional Juvenile Intervention Program (CRJIP) framework. The RJJWC III encourages and mobilizes all the Local Government Units (LGU) within the region to formulate their Comprehensive Local Juvenile Intervention Program (CLJIP) based on analysis of their own local situation to address all the hitches concerning juvenile justice.

The Comprehensive Local Juvenile Intervention Program (CLJIP) shall serve as a guide to all government agencies, LGUs, and NGOs in the formulation and implementation of their respective juvenile intervention programs and policies relating to juvenile justice and welfare. Thus, the Local Government Unit of the City of San Fernando, Pampanga adheres to spearhead formulation of such for the development of intervention and rehabilitation programs for CICL/CAR.

This three (3)-year comprehensive plan of programs is the concrete expression of the mandate of the RJWC to coordinate, oversee, and monitor the implementation of the Juvenile Justice and Welfare Act (JJWA) or R.A. No. 9344, as amended. Moreover, the CLJIP is the resulting document of the 2017 Situational Analysis on CICL and CAR in the City of San Fernando, Pampanga of which conclusions and recommendations were translated into concrete programs and actions with specific targets, responsible agencies, budget allocation, and basis for monitoring and evaluation for the next three (3) years.

The creation of a Local SitAn and the CLJIP aims to prevent CAR from committing crimes and ensure that CICL are rehabilitated and reintegrated into their families and communities. It is also meant to institutionalize a restorative justice and welfare system for CAR and CICL by encouraging and strengthening institutional partnerships. The purpose or goal of the CLJIP is to reduce the number of new cases of CAR and rehabilitate and reintegrate CICL into their families and communities. It also reflects the government's recognition of the children's right to

survival, development, protection, and participation as well as children's right to attain their full potential.

In the City level, the CLJIP is aligned with the Local Plan of Action for Children 2020-2022 as it contributes to LPAC Goal No. 3, that is, "LPAC Goal No. 3.5. Reduction in the number of children in conflict with the law every year and rehabilitation and reintegration of CICL to their families and communities." In particular, the CLJIP is directly responsible for the realization of Outcome 3.5.1 LPAC Goal No. 3.5. *Reduction in the number of children in conflict with the law every year and rehabilitation and reintegration of CICL to their families and communities*, that is, "A restorative justice and welfare system for CAR and CICL through the effective implementation of the law and coordination among stakeholders in a protective and enabling environment is institutionalized."
