TERMS OF REFERENCE

Supply and Delivery of Meals to be served for the Awareness Raising Campaign on Ethics, Laws and Regulations for City Public Order and Safety Coordinating Office Personnel (Batch 1 and 2) for 2025 in the City of San Fernando, Pampanga

I. BACKGROUND

Pursuant to R.A. No. 7160 otherwise known as the Local Government Code of 1991 particularly Section 444(b)(1) provides that the Chief Executive shall exercise general supervision and control over all programs, projects, services, and activities of the local government.

With the ongoing investments and the City's economic progress and development, there is a dramatic increase in vehicular volume and the number of pedestrians that adds up to the current traffic congestion problems the city encounters. As the primary department of the City Government that implements all ordinances pertaining to public order and safety, the CPOSCO is continuously seeking ways to instill discipline among all road users through information dissemination pertaining to public order and safety, regular conduct of clearing operations to different road obstructions, check-points to identify erring drivers and pedestrians, and traffic policing to monitor and maintain public order and safety along major thoroughfares of the City.

The work of CPOSCO enforcers takes toll to their physical, mental, emotional, and spiritual well-being. Studies show and validate the importance of debriefings and stress management particularly for front liners where a sound mind and body are essential.

In view of the above, it is essential for CPOSCO to conduct such activities in order to ensure that all of its personnel stay in the top state of mind.
