Supply and Delivery of Meals to be served for the Comprehensive Program for the Children's Rights: Tibay ng Dibdib of the City Health Office for 2025 in the City of San Fernando, Pampanga

I. BACKGROUND

The National Tuberculosis Control Program (NTCP) works closely with all stakeholders - national government agencies, public and private sectors, nongovernmental organizations, professional societies, academe, patient groups, civil societies, and development partners - in the Philippines' fight against tuberculosis.

The City of San Fernando through its City Health Office implement all the programs of Department of Health in partnership with the NGOs. There are 6 RHUs rendering regular TB programs by enrolling all the positive gene Xpert (DSTB and DRTB) and those with positive findings of TB on chest Xrays. The TB mobile van was mobilized to 35 barangays and conducted free TB screening and chest Xrays. Additionally, Xray vouchers are given for free in 6 RHUs provided by the Philippine Business for Social Progress (PBSP).

As part of the city to promote community health and through efforts of Local Government and City Health Office, xray services was made possible. Starting April 2025, the Xray Services of the Super Health Center 6 was opened to the public for all Fernandinos. Through this, early detection of lung diseases such as tuberculosis will be managed accordingly leading to healthier Fernandinos in the future.

A children's book about two little girls who were diagnosed with Drug Resistant Tuberculosis (DR-TB) and Drug Susceptible Tuberculosis (DS-TB) served as the inspiration for "**Tibay ng Dibdib.**" With the help of the Department of Health's currently approved Clinical Practice Guidelines for the assessment and management of tuberculosis, as well as the unwavering support of their parents and other stakeholders, sectors, and institutions, the affected children were able to finish their treatment, and as a result, their general quality of life was greatly enhanced.
