CONTRACT OF SERVICE FOR THE RENTAL OF STEEL BARRIERS TO BE USED FOR THE GLF 2025 IN THE CITY OF SAN FERNANDO, PAMPANGA ON DECEMBER 2025

I. BACKGROUND

The City of San Fernando, Pampanga will be celebrating the 117th year of giant lantern making. Through the years, the City has built a solid reputation as home of the best craftsmen, the finest lanterns and the biggest Christmas event in the country, the Giant Lantern Festival. The Festival, which runs for an average of 10 to 15 days, attracts thousands of local and international visitors across the globe with the lanterns being exhibited in different public spaces in the City, and nearby municipalities and cities.

The Festival has always been multi-sectoral in nature. Through the years, various sectors of the community have been included in the celebration. In recent years, schools, national government agencies, homeowners' associations, travel operators and guides, and business establishments have become involved in the festivities through various competitions and activities.

Furthermore, lantern making is deeply-rooted and embedded in Fernandino culture. It is a part of life in the City, uniting the community and inspiring creativity. The tradition also reflects important Fernandino values in its execution—perseverance in pursuing excellence, innovativeness and artistic imagination, bold ambition, and solidarity.
